There are eight SNAs in Crehana N.S.

SNAs are part of our school team.

They support children in different ways during the school day.

There are many adults at Crehana N.S.

There are adults in school who can help me.

I can talk to my teacher or another trusted adult if I have a question, need help or feel unsure about something.

It is okay to ask for help.

Being Part of Crehana N.S.

There are many different classrooms
and many different adults in our school.

Everyone has a part to play.

I will have opportunities to **learn, play,
create, explore and make friends.**

I can take time to become familiar with
my new surroundings and the adults in
my school.

**I am becoming part of the Crehana
National School community.**
